

GEORGIE WYKEHAM

THE COLOURIST COLLECTION

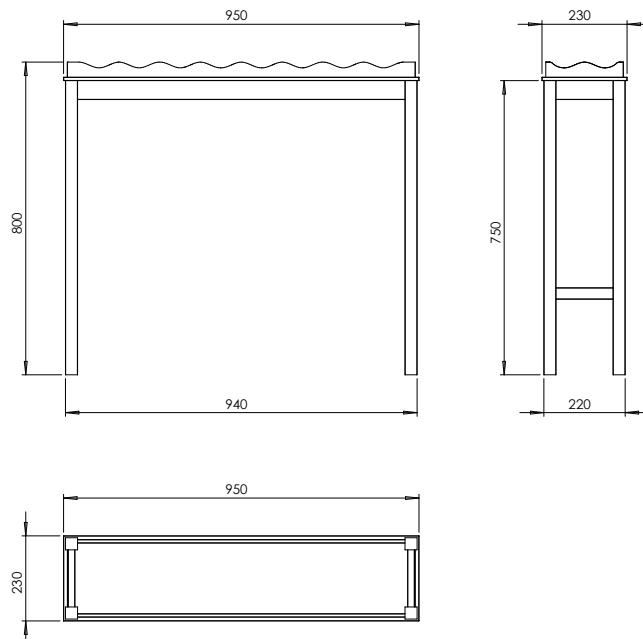

WAVE CONSOLE TABLE

Our Colourist furniture collection is available in our bespoke stock colours or can be painted in your colour choice, either in a matt or gloss finish to work with your room scheme.

The contemporary collection, which will add a pop of vibrant colour to any interior, is inspired by the graceful lines and timeless workmanship of classic antiques. Elegant, playful and functional, each piece will lift a room, as well as providing that perfect place to put a lamp – or a welcome drink.
